The ACS PC Atlas supplies time changes and latitude/longitude information for over 250,000 places worldwide. Most Astrolabe programs include the built-in Atlas or do not require it. For the others, there is a standalone version of the Atlas to install separately.

- With your first Astrolabe astrological report program or upgrade, the standalone atlas is *free*.
- If bought with *Solar Fire 4*, standalone atlas is \$45 extra.
- Bought by itself, the standalone atlas is \$95; (or \$50 for an upgrade from the ACS PC Mini Atlas or an early DOS version).

All major programs are on the Astrolabe CD. You can buy passwords for additional programs on the CD by phone or at [Alabe.com](http://Alabe.com) without additional shipping cost. You can also get programs marked "◆" as a download without shipping cost.

**Shipping:** Within U.S.: Priority Mail, \$10.00; Express Mail, \$25. Canada: Priority Mail, \$25; Express Mail, \$38. Elsewhere: Priority Mail, \$30; Express Mail, \$45.

**Minor Updates** are available free online at [alabe.com](http://alabe.com). If you require your minor update on a CD, the price per CD is \$25 plus shipping. We will need your program serial number.

**Major Upgrades:** Prices are shown above. To charge the upgrade
